The Information Note, compiled by the Court's Case-Law Information and Publications Division, contains monthly summaries of cases which the Registry considers as being of particular interest. The summaries are not binding on the Court. The Information Note may be downloaded at <www.echr.coe.int/echr/NoteInformation/en>. A hard-copy subscription is available for 30 euros (EUR) or 45 United States dollars (USD) per year, including an index, by contacting the publications service via the on-line form at <www.echr.coe.int/echr/contact/en>.

In this Index the three-digit number at the end of each reference line indicates the issue of the Case-Law Information Note in which the case in question is summarised.

The HUDOC database is available free-of-charge through the Court's Internet site (<www.echr.coe.int/ECHR/EN/hudoc>) or in a pay-for DVD version (<www.echr.coe.int/hudoccd/en>). It provides access to the full case-law and materials on the European Convention on Human Rights, namely the decisions, judgments and advisory opinions of the Court, the reports of the European Commission of Human Rights and the resolutions of the Committee of Ministers.
